

## > GALVANISED STEEL BOX GRATES FOR EXTERNAL USE

Steel Builders sell a wide range of galvanised steel box grates, pit covers and other drainage accessories.

All of our range is of the highest quality construction and all of our products are galvanised to meet the Australian standards.

Our box grates come in a huge range of sizes to make sure we have what you need for your project right off the shelf ready to install.

## Galvanised Steel Heelguard Box Grates

Our galvanised steel box grates are Australian designed and made to our specifications. Suitable for most domestic and commercial traffic with long lasting galvanised steel your grates will last the test of time. Heelguard is pet and pedestrian friendly and reduces the amount of large debris going into your drain.

All box grates are open-ended, this means you can join them to any length required. Using our end caps and outlets you can use our modular system to suit your project requirements. For outlets, joiners and end caps see our galvanised accessories below.

### Galvanised Steel Heelguard Box Grate - Suitable for pedestrians, cars and light trucks

Available Sizes	125mm Wide x 80mm Deep	150mm Wide x 125mm Deep	200mm Wide x 170mm Deep	300mm Wide x 170mm Deep
1000mm	125HEEL1	150HEEL1	N/A	N/A
2000mm	125HEEL2	150HEEL2	200HEEL2	300HEEL2
3000mm	125HEEL3	150HEEL3	200HEEL3	300HEEL 3

## Galvanised Traditional Box Grates

These box grates are similar to our Heelguard design but with a more open mesh top to allow faster water flow where pedestrian traffic might not be such an issue.

All box grates are open-ended, this means you can join them to any length required. Using our end caps and outlets you can use our modular system to suit your project requirements. For outlets, joiners and end caps see our galvanised accessories below.

### Galvanised Traditional Box Grate - Suitable for cars and light trucks

Available Sizes	125mm Wide x 80mm Deep	150mm Wide x 125mm Deep	200mm Wide x 170mm Deep	300mm Wide x 170mm Deep
1000mm	FS1251	FS1501	N/A	N/A
2000mm	FS1252	FS1502	FS2002	FS3002
3000mm	FS1253	FS1503	FS2003	FS3003

## Galvanised Maxi Heelguard Box Grates

Our Maxi Heelgard Range is our heavy duty heelguard pattern, with larger 10mmx10mm bars it can withstand higher loads than our standard heelguard pattern for those heavy traffic areas.

All box grates are open-ended, this means you can join them to any length required. Using our end caps and outlets you can use our modular system to suit your project requirements. For outlets, joiners and end caps see our galvanised accessories below.

### Galvanised Maxi Heelguard Box Grate - Suitable for pedestrians, cars and light trucks

Available Sizes	150mm Wide x 125mm Deep	200mm Wide x 170mm Deep
1000mm	150MAXI1	N/A
2000mm	150MAXI2	200MAXI2
3000mm	150MAXI3	200MAXI3

## Galvanised Box Grate Accessories

Our galvanised accessories are suited to the depth of the box grate you select. For a single piece you will require two end caps and one outlet, for every connection you will require a joiner.

End Caps	
Product Code	Description
125END	125mm End Cap
150END	150mm End Cap
200END	200mm End Cap
300END	300mm End Cap

Joiners	
Product Code	Description
125JOIN	125mm Joiner
150JOIN	150mm Joiner
200JOIN	200mm Joiner
300JOIN	300mm Joiner

Outlets	
Product Code	Description
125OUT	125mm Outlet
150OUT	150mm Outlet
200OUT	200mm Outlet
300OUT	300mm Outlet

## Galvanised Pit Grates

Our galvanised pit grates and frames are made from the highest quality mild steel then hot dip galvanised to Australian standards. Our grates come in heelguard pattern and traditional grate pattern for vehicle traffic and pedestrian traffic.

Our grates come in light (pedestrian), medium (cars) and heavy (light trucks) gauges to suit your application.

All grates are hinged for easy access.

Traditional

Heelguard

Heelguard Pattern Galvanised Grate			
	Light	Medium	Heavy
300mmx300mm	300LHEEL	300MHEEL	NA
450mmx450mm	450LHEEL	450MHEEL	NA
600mmx600mm	600LHEEL	600MHEEL	NA
900mmx900mm	900LHEEL	900MHEEL	NA

Traditional Pattern Galvanised Grate			
	Light	Medium	Heavy
300mmx300mm	NA	NA	NA
450mmx450mm	NA	NA	NA
